

6th March 2026

Dear Red Class Parents and Carers,

We are delighted to invite you and your child on an educational visit travelling to Wanstead Park, we will be travelling on two buses on **Thursday 26th March 2026**

This is a wonderful opportunity for the children to experience the wonders of the outdoors. We will be visiting Chalet Woods and hopefully the children will be able to experience the amazing carpet of bluebell flowers that grow there. This trip is a fantastic chance to create lasting memories of a special adventure with you and their classmates. It directly supports their 'Understanding of the World' curriculum by allowing them to see the wildlife and flora and fauna of the woods. It is also an amazing opportunity to develop new vocabulary. An exciting trip like this is also excellent for building their personal confidence and observation skills.

Finally, it also provides a lovely, informal opportunity to get to know each other as families.

Date	Morning class and Afternoon class
Thursday 26th March 2026	10:00am-2:30pm
A healthy packed lunch is required.	

The only cost of this visit will be the parent's personal travel on the buses.

If you can commit to the date and time outlined above, please give consent to your child's key person by **Monday 16th March 2026**. If you have any questions in the meantime, please feel free to speak to myself or your child's key person.

We really hope you can come on our educational visit with your child.

Kind regards

Barbara Willson

Blue class Teacher and Outdoor Learning Lead
