

5th May 2026

Dear Red Class Parents and Carers,

We are delighted to invite you and your child on an educational visit travelling to **East Ham Nature Reserve**, we will be travelling on two buses on **Thursday, 21st May 2026**

This is a wonderful opportunity for the children to experience the wonders of the outdoors. We will be exploring the different plants and minibeasts and hopefully the children will be able to see the Slow Worms that live there. This trip is a fantastic chance to create lasting memories of a special adventure with you and their classmates. It directly supports their 'Understanding of the World' curriculum by allowing children to see the wildlife and flora and fauna of the nature reserve. It is also an amazing opportunity to develop new vocabulary. An exciting trip like this is also excellent for building their personal confidence and observation skills.

Finally, it also provides a lovely, informal opportunity to get to know each other as families.

Thursday 21 st May 2026	
Morning class	Afternoon class
9:30am - 11am	1pm - 2:30am
No packed lunch is required.	

The only cost of this visit will be the parent's personal travel on the buses.

If you can commit to the date and time outlined above, please give consent to your child's key person by **Friday 8th May 2026**. If you have any questions in the meantime, please feel free to speak to myself or your child's key person.

We really hope you can come on our educational visit with your child.

Kind regards

Barbara Willson

Blue class Teacher and Outdoor Learning Lead
