

## Nursery Newsletter - Special Event Edition June 2025

*Celebrating the launch of the Reading Rights Report*

4<sup>th</sup> June 2025

Dear parents and Carers,

We're delighted to share some exciting news from the Nursery! On 21st May, we had the honour of hosting the Children's Laureate Frank Cottrell-Boyce and BookTrust for the official launch of the Reading Rights Report - a national initiative that champions every child's right to access books and enjoy the magic of book sharing and reading from the very start.

The event was filled with joy, as our children took part in a fun, engaging storytelling session with Frank. It was truly a memorable day that celebrated the power of books to inspire, connect, and nurture young imaginations.

We would like to say a very special thank you to the parents who kindly agreed to be interviewed as part of the event. Your voices and experiences added such a meaningful perspective to the day and helped highlight the vital role families play in building a love of reading.

Together with BookTrust, we're proud to be part of a movement that believes every child deserves a story.

With thanks for your continued support,

The Nursery Team
